# 吉星传说

## Legends of Cusi

Ancient travellers look upon stars to navigate their journey and guide them at night. Among the twinkling stars are some spectacular ones, we name them Cusi. Legend has it that Cusi manifested themselves as animals and came to the earth. They become ambassadors that help pass on the precious heritages and cultural values as well as bringing happiness and fortune to all living things on earth. Their stories begin here ...

**Legends of Cusi** is a series of stories about Cusi's legendary experience on the ancient Silk Road. Blending with historical elements and vivid pictures, the story books are specially designed in both Chinese and English for book lovers of all ages. Bring home a set of *Legends of Cusi* to enjoy the interesting books with your family and friends!
